The Thursday Club

1224 Santa Barbara Street ~ San Diego, CA 92107

Dear Business Owner and Thursday Club Supporter,

We are writing to request your support with our gala event benefitting Promises2Kids, a local nonprofit organization dedicated to supporting foster children in our community. Scheduled for Friday, April 25, 2014 at our club house in Point Loma, the event will feature dinner, music and a live auction. With your help, it promises to be a night to remember.

The Thursday Club was founded in 1921 to promote social, educational, cultural, and civic activities throughout San Diego County. Each year, the Thursday Club Juniors proudly support their heritage of philanthropy by planning a gala event. Since our founding, our Thursday Club groups have raised nearly 2 million dollars to support local charities. Past beneficiaries include Special Delivery San Diego, San Diego Food Bank, Boys to Men Mentoring, San Diego Adaptive Sports Foundation and ARTS - A Reason to Survive. Funds raised by Thursday Club Juniors have helped to transform many local charities, enabling them to better serve our community and help where it is needed most.

This year, we are proud to support Camp Connect, a life changing Promises2Kids program to make sure brothers and sisters separated through the foster care system stay connected throughout the year. The mission of Camp Connect is to keep the family bond.

Promises2Kids annually provides **over 3,300 current and former foster youth in San Diego County** with the tools, opportunities and guidance they need to address the circumstances that brought them into foster care, overcome the difficulties of their past, and grow into healthy and successful adults. In 2013, 460 children were able to reconnect with their siblings through Camp Connect. With our support we hope that all foster children separated from their siblings will be able to attend Camp Connect.

We invite you to help us support this incredible organization. Here are the ways you can participate:

- Donate an item or service to our online and/or live auction. Our online auction alone, will reach a multitude of viewers through the Bidding For Good website. This type of exposure is sure to bring you new prospective patrons for your future clientele base.
- Financially sponsor our event. Examples of financial support include cash donations, table sponsorships and in-kind donations (such as food, beverages, printing, equipment and staffing volunteers).

We are honored by your support and will do our best to repay your generosity by promoting your business through our event collateral, programs, opt-in electronic newsletters viewed by over 400 members, and on our organization's website. Since all donations are processed through The Thursday Club Foundation, our 501 (c) 3 nonprofit organization, your donations are tax deductible.

Please join our community of contributing partners. Thursday Club Juniors and Promises2Kids truly appreciate all you can do.

We thank you with all of our hearts!
