Promises2Kids Is Creating A Brighter Future For San Diego's Foster Children. You Can Help.

Promises2Kids provides support to over 3,300 foster children in San Diego County with the generous support of the community.

A.B. AND JESSIE POLINSKY CHILDREN'S CENTER

An emergency shelter for children who are removed from their homes due to abuse and neglect, this facility protects and cares for more than 1,000 children a year.

CAMP CONNECT

A program that reunites sisters and brothers who are separated in the foster care system through a four-day, residential summer camp and 10 additional day events throughout the year.

GUARDIAN SCHOLARS

A program that, beginning in high school with Junior Guardian Scholars, works with foster youth to ensure they graduate from high school, advance to college, and complete their higher education with the help of our scholarship program.

FOSTER FUNDS

Foster children often feel alone and isolated and may go without simple pleasures of childhood such as birthday gifts, a sports uniform or a musical instrument. Promises2Kids has special funds set up to support these needs not met through typical funding.
